Sub: Long Term Domestic Training Programme "One-year Digital Transformation Programme" (DTP) in Indian Institute of Management – Kozhikode (IIMK) – 2025-26

Sir/Madam,

It is hereby informed that **Indian Institute of Management – Kozhikode** in Collaboration with this Department is offering a Long Term Domestic Programme on "One-year Digital Transformation Programme" (DTP) from **July 28th, 2025**. DTP is designed as a 1 year hybrid programme and will be carried out at IIM Kozhikode Campus.

Course pedagogy:

2. The DTP has been conceptualized as an officer friendly domestic training programme on Digital Transformation without any international component. This provides the advantage of minimal dislocation of officers from their workplaces and allows them to continue with their current assignment/posting during the duration of the course. The Digital Transformation Programme for Senior Officers is a year-long, high-impact executive education initiative designed to equip senior professionals with the strategic insight, digital capabilities, and leadership acumen needed to drive transformative change within their organizations. This comprehensive 200-hour (one-year) programme combines academic rigor with practical relevance across 11 cutting-edge modules.

3. Structured across three academic terms and two immersive in-campus modules, the programme provides a deep dive into the strategic, technological, analytical, and organizational dimensions of digital transformation. Participants will explore emerging technologies, data-driven decision-making, agile leadership, platform ecosystems, legal

consideration, and risk governance – culminating in a Capstone Project where they develop a tailored digital transformation roadmap for their organization. Blending in-campus residencies, live online classes, industry interactions, and hands-on project work, the programme fosters a peer learning environment that enables participants to reflect, collaborate, and lead digital initiatives with clarity and confidence. Whether in the public sector, traditional industries, or tech-forward enterprises, this programme empowers senior officers to become architects of sustainable digital change.

4. The programme is open to officers belonging to All India Services (Indian Administrative Service, Indian Police Service and Indian Forest Service), Central Civil Services (Group 'A'), faculty members of State Administrative Training Institutes (ATIs) and Central Training Institutes (CTIs) and also Officers of the State Civil Services (Group 'A') subject to the eligibility conditions as enclosed.

5. Details of the '**Terms and Conditions**' of the programme, application form and other documents are enclosed with this letter. Further details with regard to this programme may be ascertained from Mr. Shaji C P, Administrative Officer, Digital Transformation Programme (DTP), IIM Kozhikode – 673570 via email on mdp-inc@iimk.ac.in and websites of IIM Kozhikode https://iimk.ac.in/uploads/courseDetails/329704693_2025-05-14_05-30-26.pdf and DoP&T, Training Division's website <http://dopttrg.nic.in/>

6. Each Participant (nominated officers) will have to work on a Capstone Project on "Driving the Real-World Digital Transformation" which will be showcasing real world application, reflection & learning from the Capstone Experience. This Special Capstone element of this programme is the module that aims to bring participants up to speed on a few of the globally important emerging policy and trends and themes. The Capstone Project may be pursued individually or in teams and will be presented during the final in-campus immersion. Guided by faculty mentors, participants will develop strategic recommendations, execution plan, and risk mitigation frameworks that reflect practical feasibility and innovation. The Capstone ensures a meaningful bridge between theory and application, reinforcing the programme's commitment to actionable learning and strategic impact.

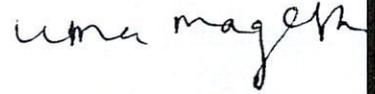

7. Nominations of suitable officers in the prescribed pro-forma may please be sent to this Department through their Cadre Controlling Authorities so as to reach us on or before **July 05th, 2025**. Nominations received after this date will not be considered. The

nominations would be scrutinized and officers shortlisted by the selection committee based on profile and statement of purpose, fulfilling the conditions of eligibility will be called for interview/discussion by IIM Kozhikode. The discussion will be on a virtual platform and the date and time will be intimated to the officers by IIM Kozhikode. In order to save time, the officers are permitted to send an 'Advance Copy' of their applications directly to this office and IIM Kozhikode via email to mdp-inc@iimk.ac.in. The officers will also be called for discussion based on their advance applications. However, final selection will be subject to receipt of his/her formal application, duly recommended by the Cadre Controlling Authorities along with Vigilance Clearance and approval of Competent Authority in DoPT. Therefore, it is in the interest of the officers to get their applications routed through their Cadre Controlling Authorities as early as possible.

8. All Ministries/ Departments/ State Governments/ UTs/ CCAs etc. are advised to give wide publicity to the programme, upload this circular on their websites for the information of all concerned and encourage the officers to apply.

Encl: Terms and conditions

Yours faithfully,

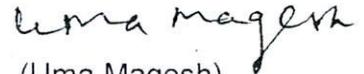

(Uma Magesh)

1st One-year Digital Transformation Programme (DTP) at Indian Institute of Management - Kozhikode

The 1st One-year Digital Transformation Programme (DTP) at Indian Institute of Management – Kozhikode will commence from July 28th 2025. Unlike the other existing Long Term Domestic Programmes of this Department, which have full time components of institutional attachment, the DTP has been conceptualized as an officer friendly domestic training programme on Digital Transformation without any international component. This provides the advantage of minimal dislocation of officers from their workplaces and allows them to continue with their current assignment/posting during the duration of the course. The Digital Transformation Programme for Senior Officers is a year-long, high-impact executive education initiative designed to equip senior professionals with the strategic insight, digital capabilities, and leadership acumen needed to drive transformative change within their organizations. This comprehensive 200-hour (one-year) programme combines academic rigor with practical relevance across 11 cutting-edge modules.

Structured across three academic terms and two immersive in-campus modules, the programme provides a deep dive into the strategic, technological, analytical, and organizational dimensions of digital transformation. Participants will explore emerging technologies, data-driven decision-making, agile leadership, platform ecosystems, legal consideration, and risk governance – culminating in a Capstone Project where they develop a tailored digital transformation roadmap for their organization. Blending in-campus residencies, live online classes, industry interactions, and hands-on project work, the programme fosters a peer learning environment that enables participants to reflect, collaborate, and lead digital initiatives with clarity and confidence. Whether in the public sector, traditional industries, or tech-forward enterprises, this programme empowers senior officers to become architects of sustainable digital change.

Each Participant (nominated officers) will have to work on a Capstone Project on “Driving the Real-World Digital Transformation” which will be showcasing real world application, reflection & learning from the Capstone Experience. This Special Capstone element of this programme is the module that aims to bring participants up to speed on a few of the globally important emerging policy and trends and themes. The Capstone Project may be pursued individually or in teams and will be presented during the final in-campus immersion. Guided by faculty mentors, participants will develop strategic recommendations, execution plan, and risk mitigation frameworks that reflect practical feasibility and innovation. The Capstone ensures a meaningful bridge between theory and application, reinforcing the programme’s commitment to actionable learning and strategic impact.

2. **Eligibility:**
